[About CILSA- ZAL Port OF THE PORT OF BARCELONA](#)

CILSA (Center Intermodal of logistics, S.A.) is the company that manages the port concession in the area of logistics activities (**ZAL Port**) of the Port of Barcelona. CILSA is owned by the Port Authority of Barcelona with a 63%, by MERLIN Properties with 32% and 5% by the public enterprise of land, "Entidad Pública Empresarial de Suelo" (SEPES).

To this day, CILSA manages 212 hectares located in the municipalities of Barcelona (69 has), the Prat del Llobregat (143 has) plus 27 new hectares located in the CZFB plot, and has built directly in the **ZAL Port** a total of 403.280 m² of logistics warehouses that offers in regime of rent including a building of offices of 11.254 m²

known as Service Center. Also, CILSA has granted a land right to clients who have built about 232.000 m² of warehouses; setting up a logistics park of 635,000 m², pioneer in Spain in this type of developments.

The **ZAL Port**, with this new territory leased from the CZF, has 565,000 square meters of land at its disposal in order to build more than 350,000 m² of new logistics warehouses, allowing flexibility to its clients responding to any logistic need, becoming a business partner that accompany its growth in the medium and long term in an ideal location, reaching almost the 1,000,000 m² of infrastructure logistics of first level when is fully developed.

The **ZAL Port** is located within the Port of Barcelona (with two shortcuts to the Port) and adjacent to the international el Prat Airport, with excellent connections to the metropolitan road infrastructure, as well as the main axes of long-haul. Its intermodal capacity and its different services of added value not only favour greater business efficiency of clients installed in their spaces, but they also give a higher quality of life to the people who work in them.

The new enlargement of the **ZAL Port** due the new plot in regime of lease which will manage CILSA located in the CZFB, the **ZAL Port-Ciutat**, is next to the Port of Barcelona in the street A, corners with Street 2 and Street 3 (and to 1.5 km of distance of Can Tunis, main station railway of goods) and very well connected with the highways of Barcelona and its motorways. It has public transport through an extensive network of buses, the new metro line L9 and the future L10 that will soon come into operation.

All this together with its dimension, logistics offer and flexibility, make of the ZAL Port the logistics platform of reference of the sector.

Proof of this is that in the **ZAL Port** are working directly more than 6,000 people in the more than 130 companies installed. Both nationally and internationally renowned companies like Decathlon, Carrefour, Bishop/Grupo DAMM, Indukern, Kühne Nagel, Naeko Logístics, Rhenus, Transnatur, World Duty Free Group, CMA-CGM, etc.

The social priority

Las social priorities of the **ZAL Port** denote that it is oriented to the development of services for the conciliation work, personal and family. And the high number of companies installed support this commitment. A space for the people, where more than 6,000 direct workers share their day to day, and where are offered services as the nursery, that has alleged a less than 23% work absenteeism. A success for both, companies and families.

CILSA works in various social projects and is patron and partner founder of the Foundation Cares, with the objective of supporting the inclusion labour of people with disabilities and with difficulties through the outsourcing of processes logistics and productive.

Through the Foundation Fair Logistics collaborates for a fair trade so the business benefit is distributed in a more equitable way between the third and the first world and humanitarian assistance.

And through the Fundació Banc dels Aliments offers free space for the collection and distribution of groceries aimed at the groups most in need in our city during the famous "Gran Recapte d'Aliments" campaign at Christmas and also year-round with the European help of solidarity that the Foundation receives.

CILSA, has led the development, promotion and marketing of this area since its foundation in 1992, and has been a pioneer in social and environmental action. It is a reference in good practices since much before they were regulated. Also has voluntary implanted the system of management environmental ISO14001 to commit is in a growth-friendly and efficient.
